

Slavery and Human Trafficking Policy Statement

INTRODUCTION FROM THE MANAGING DIRECTOR

Slavery and human trafficking remains a hidden blight on our global society. We all have a responsibility to be alert to the risks, however small, in our business and in the wider supply chain. Staff are expected to report concerns and management are expected to act upon them.

ORGANISATION'S STRUCTURE

FP McCann through its [Quarries](#), [Surfacing](#), [Readymix](#) and [Precast](#) plants, supply a wide range of heavy building materials to the construction industry. We offer a range of sustainable and innovative product solutions that complement our standard package of products and services. The group has its head office in Northern Ireland and all trading outlets are in the UK.

OUR SUPPLY CHAINS

Our supply chains include the sourcing of raw materials principally related to the provision of precast concrete products, bitumen coated products and Readymix concrete.

OUR POLICIES ON SLAVERY AND HUMAN TRAFFICKING

We are committed to ensuring that there is no slavery or human trafficking in our supply chains or in any part of our business. This Anti-slavery Policy reflects our commitment to acting ethically and with integrity in all our business relationships and to implementing and enforcing effective systems and controls to ensure slavery and human trafficking is not taking place anywhere in our supply chains.

DUE DILIGENCE PROCESSES FOR SLAVERY AND HUMAN TRAFFICKING

As part of our initiative to identify and mitigate risk -

- Where possible, we build long standing relationships with local suppliers and make clear our expectations of business behaviour;
- With regards to national or international supply chains, our point of contact is preferably with a UK company or branch and we expect these entities to have suitable anti-slavery and human trafficking policies and processes. We expect each entity in the supply chain to, at least, adopt 'one-up' due diligence on the next link in the chain. It is not practical for us (and every other participant in the chain) to have a direct relationship with all links in the supply chain.
- We have in place systems to encourage the reporting of concerns and the protection of whistle blowers.

SUPPLIER ADHERENCE TO OUR VALUES

We have zero tolerance to slavery and human trafficking. We expect all those in our supply chain and contractors to comply with our values.

The Company Directors are responsible for compliance in their respective departments and for their supplier relationships.

TRAINING

To ensure a high level of understanding of the risks of modern slavery and human trafficking in our supply chains and our business, we provide training to relevant members of staff. All Directors have been briefed on the subject.

OUR EFFECTIVENESS IN COMBATING SLAVERY AND HUMAN TRAFFICKING

We use the following key performance indicators (KPIs) to measure how effective we have been to ensure that slavery and human trafficking is not taking place in any part of our business or supply chains:

- Completion of premises Audits by Safety, Health and Environmental Managers, Factory/Quarry Managers and the Human Resource Manager;
- Use of labour monitoring and payroll systems to check eligibility of employees in the UK; and
- Level of communication and personal contact with next link in the supply chain and their understanding of, and compliance with, our expectations.

This statement is made pursuant to section 54(1) of the Modern Slavery Act 2015 and constitutes our group's slavery and human trafficking statement for the current financial year.
