

Mechanical Fitter

Magherafelt

We are the largest precast manufacturer in the UK and are looking for a Mechanical Fitter to join our team. The successful candidate will be required to work nightshift from 23:00 hours to 07:30 hours.

The main areas of responsibility will include:

- Diagnosing and fixing problems with manufacturing machines and mechanical parts
- Working with machine operatives for machine set ups and change overs
- Completing daily, weekly, monthly and yearly machine servicing
- Advising management on whether continued operation of equipment could be hazardous
- General housekeeping duties
- Ensuring compliance with the Company's policies including health and all good working practices within the factory

In return, the successful candidate will be rewarded with:

- Basic hourly rate for first 40 hours
- Overtime paid at time and a half
- Shift allowances for night work
- Bonus
- Contributory pension scheme
- Training provided
- PPE provided
- Permanent role

Essential Criteria:

- Minimum of 3 years' experience of completing plant and machinery maintenance
- Ability to use mobile electronic equipment
- Excellent communication and people skills
- Good time management skills with the ability to prioritise workload in a systematic manner
- Be hard working and conscientious using initiative to reach suitable resolutions without constant supervision
- The ability to work calmly under pressure

Desirable Criteria:

- Sound knowledge of all mechanical works within the field of concrete manufacturing
- Sound knowledge of all hydraulics within the field of concrete manufacturing
- Hold a valid driving licence
- Knowledge of Lean Manufacturing
